We let the food inspire creativity and serve up seasonal fare that’s delightful in its simplicity. We embody the notion of authentic, honest cuisine and cook from the heart, with a deep connection to the earth, fire and oceans.
THE RESTAURANT
From the creative mind of renowned Chef Charles Wiley, Hearth ‘61 features seasonal, organic cuisine in an innovative space where families and communities can gather and relish in the pleasures of dining. Feast on honest, authentic cuisine prepared using the classic techniques our ancestors used as they came together over an open fire. Hearth ‘61’s patio creates a visceral connection to the earth as you take in the gorgeous desert scenery and magnificent views.

THE BAR
Sip and observe from the bar. The open, oval-shaped bar presents you with 360-degree views of Mountain Shadows and the beautiful outdoor scenery. Coffee and refreshments in the morning, innovative cocktails and a full menu in the evening and friendly service welcome you to take a moment to unwind and reflect while watching the rush and roar of the world around you.

THE LIVING ROOM
Take a break and enjoy the views from the living room. Just on the other side of the bar, the sunken living room unfolds into a beautiful patio overlooking the gorgeous property. Watch the sun set over Camelback, enjoy delicious refreshments, gather with friends and connect with others. Our living room is your living room.
The Citizens Club pays homage to the Citizens Committee for the Incorporation of The Town of Paradise Valley. It's a place to gather, socialize and refocus your mental and physical health. Relax by the pool, rest in the cabanas, take in inspiring views, sip on organic juices and find your center in our premier fitness facility, all while basking in a stunning Southwest paradise.
POOL
Featuring two sparkling 75-foot pools connected by an overwater walkway, The Citizens Club Pool leaves no detail forgotten. Stay comfortable in one of seven cabanas, enjoy poolside food and beverage service and absorb the dramatic 360-degree views as you soak up the quiet, happy moments life affords.

FITNESS CENTER
Stay well and stay focused in The Citizens Club’s 5,000-square-foot fitness facility. With the latest Precor equipment, a yoga and cycle center and individual and group classes, you can keep your health on track however you see fit. Then explore Paradise Valley or Scottsdale with hiking, biking and walking options in our backyard.

JUICE BAR
Savor healthy options at The Citizens Club juice bar. Perfect after a tough workout or a hot day at the pool, the juice bar uses fresh produce and organic ingredients for all its concoctions. Grab a snack or make it a meal with a variety of delicious and nutritious items.
The Short Course is a charming par-3 golf course, relatively quick and fun to play. The elegant design and layout challenges experienced golfers to control their distance and swing, while beginners can bump along each hole on wide-open greens. While the course itself is a joy to play, it’s the breathtaking views of Camelback and Mummy Mountains, along with the scenic desert surroundings, that make the course a true destination.
A natural beauty.

Golf course architect Forrest Richardson designed the course by incorporating the natural landscape and beautiful vistas into each hole. Rugged slopes, rising ridges and dramatic mounds are perfectly set in the shadows of Camelback. As shots careen off the mound, mysteries unfold over ridges, and curved embankments create trickier shots than originally perceived.

R. Rusty’s patio & lounge
Rusty’s patio & lounge feeds hungry golfers and spectators in classic style. After a day on the links, some good-natured ribbing between friends may be in order. What better place to go than Rusty’s, where golfers can lick their wounds after being a little rusty on the course? It’s a friendly, casual environment where golfers can reminisce about the good ol’ days and buy each other a round of drinks after a quick jaunt on the course.

Whether you need to rent clubs or are looking to spruce up your wardrobe, The Short Course Pro Shop has you covered. Find the best brands and latest gear while browsing the shelves, or have a pro help you discover the best equipment for your unique golfing style.
